#### Collective Worship - This week...

HAPPY NEW YEAR! Are you like me and wondering how we got to 2023?!

During our welcome back worship, we looked at Roman mythology - Janus. Janus was the god of fates and

doorways, beginnings and endings. He is often pictured with two faces, one looking forward and one looking back. New Year is naturally a time for looking forward and

back. We discussed what we have been proud of in 2022 and what our

memories are.

We also reflected on what the new year could mean and what we wanted to focus on.

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.' 2 Corinthians 5:17
