## 5) EYFS PROVISION

The teaching of this subject relates to the following areas of the EYFS framework:

ELG 7. Fine Motor Skills: Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Use a range of small tools, including scissors, paint brushes and cutlery. Begin to show accuracy and care when drawing.

ELG 10. Writing: Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.

The EYFS statutory framework can be found at: [EYFS Statutory Framework](#)

The EYFS non-statutory Development Matters guidance can be found at: [Development Matters](#)

## 6) THE NATIONAL CURRICULUM

The teaching of the curriculum for the named subject links directly and ensures appropriate coverage of the Primary National Curriculum.

The Primary National Curriculum can be found at: [Primary National Curriculum](#)

## 7) OUR TEACHING MODEL

Our teaching and learning is based upon research around how learning works. This is the foundation as to how we teach at St. Francis CEP School.

*Tom Sherrington – Rosenshine's Principles in Action*

A simple model for how memory works is based on the concept of building schemata in our long-term memory, as follows:

See section 4 of our Teaching and Learning Policy for more information as to how we teach to support this model. Our Teaching and Learning Policy can be found [here](#).

### **The Teaching of Spelling**

At St Francis, we want our pupils to become confident writers. We understand that in order to do this, a child must become a confident speller. Therefore, we follow the Little Wandle phonics scheme from the start of EYFS and throughout Year 1, giving children a strong foundation in identifying the correct phoneme grapheme correspondence. We continue our teaching of spelling in Year 2 onwards by following the Little Wandle spelling scheme. This ensures that children are taught the spelling rules and statutory spellings for their year group and key stage. Phonics is taught daily in EYFS and Year 1, with spellings being taught and practiced a minimum of three times a week from Year 2 onwards. From Years 3-6, children will learn to spell by applying their knowledge of phonics, building on what they have learned in their earlier years in school.

## **8) PLANNING**

Planning of the subject has been completed to ensure progression in knowledge as the children move through the school. The Long-term plan for this subject area can be found on our curriculum section of our website: [Curriculum Section of Website](#)

The detail of content, including precise knowledge has been set for each year group as outlined in the Long-Term Plan. It is the role of the class teacher to place this into short-term planning to cover in their classes.

The teaching and learning policy demands that teachers plan the outlined content taking consideration of the following:

- Cognitive load
- Learning organisation
- Learning progression
- Learning steps
- Sequential – retrieval practice
- Mode A:Mode B Teaching

The Teaching and Learning Policy, section 5.8 (page 11), defines Mode A:Mode B teaching as:

*During the planning process, the teacher will identify which type of teaching is required.*

*Mode A:*

*Every teacher needs to be able to deliver high-quality instructional teaching. This is Mode A. Explaining, Modelling, Questioning, Checking for Understanding, Guiding Practice. This is identifying when content requires explicit instruction.*

*Mode B:*

*Mode B teaching usually involves content that would benefit from a child-led, curious and inquisitive approach, for example, a science experiment. "I have put some resources on your table, explore and come up with some statements and/or questions to share"*

*Teachers will use instructional routines throughout Mode B teaching.*

*Unlike Mode A teaching, which will be a daily default, Mode B elements can be woven into the curriculum at varying frequencies. Some elements might be daily, some weekly or monthly, some might happen once per unit of learning or just once a year. Mode B elements offer a depth and richness that supplements the staple diet of Mode A. There are no hard and fast rules and whole lessons could easily be devoted entirely to one mode or the other.*

Section five of the teaching and learning policy sets out the processes of planning in our school.

Our Teaching and Learning Policy can be found [here](#).

## **9) ASSESSMENT**

Assessment in Writing is mainly formative. Teachers will assess within lessons and outside of lesson to provide feedback in order for children to improve their work through the unit. At the end of a unit, teachers will monitor the impact of the content taught within the unit. At the end of a term, based on the work produced at the end of each unit, teachers will assess whether children are at Below, Expected or at Greater Depth Secure using the KLIPS.

Section six of the teaching and learning policy sets out the processes of assessment in our school.

Our Teaching and Learning Policy can be found [here](#).
