### Governor Information

I have extensive experience in Human Resources and have worked collaboratively alongside a number of leadership teams, across different organisations, including Mercedes Benz North West, Capita and I currently work for BAE Systems as a HR Business Partner. I have been a Governor at St Francis for the last 5 years, initially as a Parent governor and since 2021 as a Foundation Governor. I am currently Chair of Governors, a position which I am proud to hold and endeavour to be a strong voice on the Governing Board - holding the school leadership to account to ensure the best outcomes for our children attending school, both now and in the future. I have two sons, one currently in KS2 at St Francis and one who has recently moved to high school but attended St Francis.

I have worked at St. Francis for almost 10 years and prior to that came here as a pupil but that's a very long time ago. I feel very blessed to be part of St. Francis and love the warm Christian ethos and being part of the children's journey. Away from St. Francis I am mum to my two wonderful children who keep me very busy. We love to spend time getting out and about with Merlin our dog and enjoy traveling to new places.
