

Weak tea

She filled the kettle with water.

When the kettle boiled, she poured the hot water into the cup.

While she waited, she put milk in the cup.

'You forgot to put a tea bag in,' laughed Mum.

She switched the kettle on and waited until it boiled.

Amy went to make a cup of tea for Mum.

Goal!

The defender got the ball.

The winger crossed it.

Lee, Jordan and the whole crowd shouted 'Yes!'

Lee and Jordan went to the football match.

The defender gave it to the winger.

The striker headed it in!

The new puppy

He took Ben out to the park for a walk.

When they got back, Jamie gave Ben his tea.

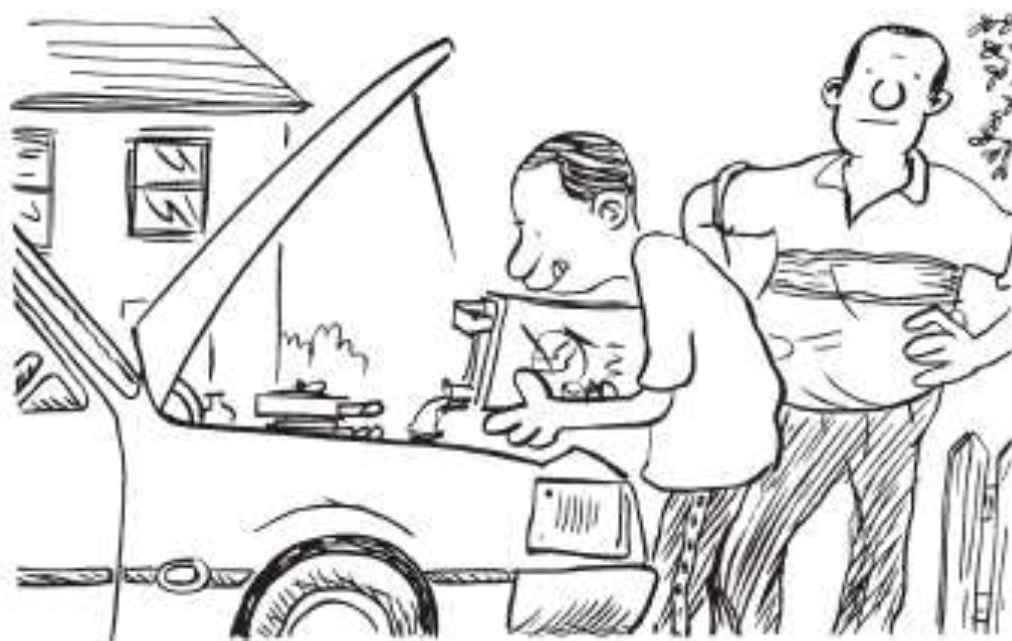

Jamie's dad bought him a puppy.

Jamie put the puppy in his basket for a rest.

Jamie called him Ben.

They came home an hour later.

Helping Dad

He asked me to put some oil in.

I shut the bonnet with a slam!

Dad opened the bonnet of the car.

I poured the oil into the engine.

He tested the oil level.

We wiped our hands on paper towels.
